### Why Support the VALUE THEM BOTH Kansas Constitutional Amendment?

Few people realize that Kansas is already becoming an abortion destination – a “haven state” for abortion access. The abortion rate in Kansas is up almost 10% in the latest data released by the Kansas Department of Health and Environment (KDHE). For the first time ever, more than half of all Kansas abortions are being performed on women coming to Kansas from surrounding states. The abortion industry projects that if Roe v. Wade is overturned and Kansas does NOT pass Value Them Both, the abortion rate in Kansas will skyrocket by 1300% to more than 100,000. Let’s not allow our state to become a destination for abortion; let’s make Kansas a destination for Life! Vote “YES!” for Value Them Both on August 2.
