Today we celebrate the **14th Sunday in Ordinary Time**. In the gospel story today Jesus sends out seventy-two disciples in pairs to proclaim the Kingdom of God to villages He intended to visit. These disciples experience great success with the expulsion of many demons. Jesus tells them, "Do not rejoice because the demons are subject to you, but rejoice because your names are written in heaven." The more we strive to live out our own discipleship, the more others will strive to follow.

This Tuesday, July 5, will be our monthly **Theology on Tap at Quincy Brewery**. Please join us at 6:30 p.m. for a Theology talk by Rev. Patrick Smith of St. John's Anglican Church here in Quincy.

Next **Saturday, July 9**, will be the **125th Anniversary Celebration of Fr. Augustus Tolton's Death**. To mark Fr. Tolton's passing into eternal life, Bishop Thomas Paprocki will be here in Quincy to lead a 9:15 a.m. procession from St. Peter's Church to St. Peter's Cemetery. At 10:00 a.m. Bishop Paprocki will lead us in a Mass at the grave of Fr. Augustus Tolton. Many opportunities are available to help volunteer for this event. Please contact Fr. Daren Zehnle if you would like to help (dzehnle@dio.org). And please plan to join us next Saturday morning for this celebration in honor of our own Fr. Augustus Tolton.

Respect Life Ministry Reflections for the Spiritual Adoption of an Unborn Baby Written by Lisa Menich Week 11

"I am tumbling around inside my mother and have noticed that there are more changes this week. I can now swallow fluid and even urinate. This is all just practice for my **birthday**. My internal organs are formed and most of them function fully; they just need more time to grow in size and efficiency. I'm starting to think about what my life will be like when I am born. For now, I am busy growing and resting and thanking God for the gift of life. Please keep praying for me."

From Your Health & Wellness Council. . .

Summer Has Arrived

Every year in the U.S. there are an estimated 3,900 fatal unintentional drownings. This is an average of 11 drowning deaths per day.

Be careful around water. 21.3% of drownings were in pools; 25.9% of drownings were in lakes; 27.2% of drownings were in rivers; and 10.4% of drownings were in oceans.

When enjoying the summer and summer activities, make sure you are practicing social awareness. What is social awareness?

"The ability to take the perspective of empathy of others, including those from diverse background and cultures."
