Director of Religious Education - We thank Haley Phelan for her dedication this past year as our School of Religious Education Coordinator. She has recently informed us that her family is moving and she will not be able to continue. We are sad to see her go!

Due to the relocation of Haley Phelan, the parish is in need of a person who would be willing to coordinate our School of Religious Education and Youth Group. This involves coordinating teachers, organizing classes, and corresponding with parents. If you are interested in helping the parish in this way, please call or email the Parish Office. There is a small stipend offered for the position.

Value Them Both – Clarifying Misinformation: There has been much misinformation coming from ads opposing the Value Them Both (VTB) Amendment. This causes confusion around sensitive and important topics. The opposition claims that if VTB passes, women will not be able to receive medical treatment for miscarriages or other life-threatening situations such as ectopic pregnancies or other pregnancy complications. This simply is not true. Medical treatments for ectopic pregnancies, miscarriages, and other pregnancy complications are not the same as an abortion. Kansas has clear legal definitions of abortion (K.S.A. 65-6701(a)). - *The treatment for an ectopic pregnancy is NOT an abortion.* - *The treatment for miscarriage is NOT an abortion.* - *The treatment for septic uterus is NOT an abortion.* In addition, reputable physicians who treat high-risk pregnancies will say abortion is not medically necessary to treat or save the life of the mother. To learn more, visit archkck.org/valuethemboth under “Resources – FAQs.” Women facing sensitive and heartbreaking situations should not be scared into thinking that they will not get needed medical care. Please share this important information with others.
