MISSION STATEMENT

Forming disciples through prayer, liturgy,
Word of God and service.

**Blessed Sacrament Parish
19th Sunday in Ordinary Time
August 7, 2022**

From the Pastor's Desk

Today we celebrate the 19th Sunday in Ordinary Time. "Blessed are those servants whom the master finds vigilant on his arrival." One of the most important keys to professional and educational success is *preparation*. Everything we wish to do well requires diligent preparation. Our success in our personal and spiritual lives also requires preparation. Heaven is not an immediate gift; we must be constantly preparing for it. Preparation for heaven includes a life of prayer, generosity, and ongoing conversion.

Finally, it is time to begin thinking about RCIA. In a few weeks we will begin our next season of weekly RCIA sessions for those considering entrance into the Catholic faith. The first several months of RCIA are considered a period of "Inquiry" when participants have a chance to learn more about the Catholic faith without making any specific commitments. If you or someone you know are interested in starting in the RCIA, please contact Director of Faith Formation Ginny Fuentes.

May the Peace of Christ be with you all,

Fr. Tom

Nineteenth Sunday in Ordinary Time - August 7, 2022

Wisdom 18:6-9. Psalm 33:1, 12, 18-19, 20-22
Hebrews 11:1-2, 8-19. Luke 12:32-48.

What Shall We Do? Jesus tells us today: "Do not be afraid any longer." He also tells us what to do next. Here is the list. Give alms. Gird your loins, that is, put on comfortable clothes so you can work. Wait at the ready for the coming of the Lord. Be prepared all the time. Know what God wants. As followers of Jesus Christ, we are to be about His business and His Father's business - not our own. Our business is also God's business.

What fear will I let go; what fear will I give up?

What does God want me to do this week?

How will I be full of mercy by _____?

August: The Month of the Immaculate Heart

Did you know that August is dedicated to the Immaculate Heart of Mary? Check out these ways you can honor Our Lady this Month:

- 1. Participate in the First Saturday Devotion to Our Lady by attending Mass.**
- 2. Make Immaculate Heart of Mary Cookies with your kids!** This is an activity the entire family is sure to love. Consider sharing with grandparents, neighbors, or even friends from church. Check out this link for inspiration. <http://www.catholicplayground.com/sacred-heart.../>
- 3. Attend Mass on August 15 for the Assumption of Mary.** While it is not a Holy Day of Obligation this year, consider attending this special Marian Feast where we celebrate Mary being assumed body and soul into Heaven at the conclusion of her earthly life.
- 4. Place an image of the Immaculate Heart in your family prayer space.** Consider supporting small businesses and Catholic artists. Leanne Bowen has beautiful images of the Immaculate Heart of Mary. Consider taking time once a week to gather your family to ask for Our Lady's intercession.
- 5. Pray the 7 Sorrows Rosary.** This devotional prayer invites the faithful to meditate on the sorrowful moments of Mary's life in which she was able to perfectly unite her sufferings to her Son's.

Our Church History

Our church was built in 1867, with the first Mass celebrated on December 8 (Feast of the Immaculate Conception). The church was destroyed by fire in 1891, and rebuilding was completed in 1892. In some places of the rafters you can see some of the wood that shows burn marks.

When you enter the church you are drawn to the large wooden centerpiece which was part of the high altar before the Second Vatican Council. The statue of Mary, patroness of the parish, is on the top. The statue shows Mary with the moon under her feet, crushing the serpent's head.

Watch next week's bulletin for more of
Our Church History.

The Month of August Brings Our Attention to Breastfeeding/Immunization Awareness

The American Academy of pediatrics (AAP) recommends that infants be exclusively breastfed for about the first six months with continued breastfeeding while introducing appropriate complementary foods for 1 year or longer.

Breastfeeding has remarkable pronounced benefits for both baby and mother. It is known as the key strategy to improving public health.

Did you know - babies who are breastfed have a 36% reduction in the risk for SIDS?

Along with breastfeeding, there are now 15 serious childhood diseases that are now preventable thanks to immunizations. Infants are often more vulnerable to disease than Older children and adults.
