October 2, 2022 Twenty-Seventh Sunday in Ordinary Time

A Message from Fr. Tom Donovan:

This week the Annual Financial Report is being included with this bulletin. If there are any questions, please call Fr. Tom at the Parish Office, 217-222-5996.

You will notice that for the first time in a number of years we show an accounting profit for the parish! In order to correctly interpret this data, one needs to note that there are a number of items which have been included in "operating funds," such as a one-time special gift of \$100k which was given to St. Dominic School with the designation to help us catch up on our expenses last year, and more than \$25k of income over expenses for our parish organizations and our cemetery which are included in this "profit." Thus, the overall \$104,571.12 "profit" on the bottom of page 3 is mostly spoken for by restricted organization funds and the special donation to cover expenses. Thus, our "available cash" for regular activity in the operating fund has actually shrunk from year to year. Thus, our ability to pay our bills and make payrolls still depends completely on the regular, every-week generosity of our parishioners and supporters. Thank you for your generosity!

Also of note, during 2021-22, we also received funds from the Kent Wellman Estate to do our parking lot project this year, as well as proceeds from the sale of the St. Dominic Rectory on Columbus Road. These items are accounted for in the report, but are separated out as "non-operating" revenues. The bequest will be spent up in our construction costs, and the house sale will become the basis for some parish savings going forward. Of note, we don't have, really, any other properties to sell if we get in a financial bind, so while I hated selling the extra Rectory, we really didn't need it. And with the real estate market at its top, it made a lot of sense to let it go at this time.

We do have a "permanent endowment" fund which has been reactivated after nearly 30 years of being inactive (but collecting interest all these years). In the last couple of years we have received special gifts to grow that amount from about \$10k to \$50k. My hope is that our regular financial standing becomes more stable so that we can direct memorials and bequests (that are not otherwise designated) to this fund, which will help build a legacy for the parish. This endowment now pays at least 4% every year, but the principal cannot be touched. For now we have chosen to "roll over" our endowment proceeds to continue to grow the endowment fund each year.

In recent years we have shored up our "reserve" accounts and are no longer having to take money from the "new year" (2022-23) in order to get through the old year (2021-22). When I arrived, we were doing that regularly on the order of about \$200k per year. That means that, while the bills were paid and the illusion was that we were doing ok, what we were doing was taking in tuition money in April, May, and June which was designated for the "next school year" and spending it on "last year's" expenses, thus denying us resources in the new school year to make that new year's expenses. On top of that "invisible debt" which was being floated on future money or slow-paying our obligations, we accrued a fair amount of actual debt on our balance sheet which had come from unpaid assessments to the Annual Catholic Services Appeal. This situation is now rectified, in part, by special items and savings in recent years which has allowed us to get our financial house in order. Now we put away tuition money as it comes in during May-June-July, and it is set aside in a special account that we can draw from later in the same year when cash gets scarce (which always seems to happen in about November, February, and May).

We are now "current" in paying all our expenses, except for the old debt of about \$55k which is listed regularly in the bulletin. I sometimes get questions about this number and why it does not update more regularly. This is a difficult situation in that we collect the debt reduction envelopes over about a month and then send it in to the diocese to pay on our debt account. It usually takes another month for that to be posted and sometimes longer for the diocese to feed back our new debt amount for me to report. So while it is difficult to see precisely how we are doing by watching that box from week to week, at the end of the year we are balanced and reconciled for these contributions and payments. As we get near to the end of being a debtor parish, I'll see if we can get those numbers updated more frequently so we can make sure to know when to celebrate!

Last year our debt reduction envelope brought in \$16,041. This is not listed in the report as it was treated like a special collection, going "in-and-out" of the balance sheet without being realized as (diocesan-tithable) operating income. We sent additional payments on the debt of about \$40k from a part of the house sale and from the St. Dominic "special gift." These are also treated as asset-transfers on the balance sheet, rather than regular profit-loss "operating" activities.

Perhaps the most important item leading to these encouraging financial results is the increase in the number of students at St. Dominic School. Year-to-year we went from 171 to 182 students in pre-K to 8th grade. (In fall of 2022, we now have 199 students!) The average revenue (tuition + fees + grants/scholarships/Gene Grawe) per K-8 student is about \$2,400 vs. a cost to educate of about \$6,600 per K-8 student. Each student receives a substantial parish-funded grant to attend St. Dominic School. In return, the primary expectation is that our St. Dominic families become active, engaged members of the parish community in fulfillment of the gift of Catholic Education, which begins with its essential, spiritual core of faithful Sunday Mass attendance!

As we add new students at our school, the marginal expense of a new student is almost nothing while tuition income expands. This year we are increasing from 144 to 168 K-8 students which means an approximate increase of tuition revenues expected of about \$50k. Growth to full enrollment (of 225 K-8 students) needs to be a continued priority for our school community.

Thank you to all who support St. Anthony Church and St. Dominic School! We count on your generosity, rooted in good stewardship practices, to continue our mission and ministries.

Citywide Catholic Schools Mass at QND

On Tuesday, September 27, 2022, the Catholic Schools in our area gathered at QND for our annual citywide Mass. It was a beautiful experience to come together and celebrate Mass again. Each elementary school wore their spirit shirts so the gym was filled with rainbows of color for each grade level. During the celebration, each school was given a donation from the Mega Raffle. St. Dominic School received a check for \$5,673.81. Thanks to all of the parishioners and school families for your support!

RCIA

October 3, 7:00 p.m.

It's time to be thinking about welcoming new Catholics! Last year we welcomed eight new Catholics to the Church through the Easter sacraments... some were welcomed at Easter, others celebrated at various times through the year. The typical time to prepare our new Catholics for the sacraments is the Easter Vigil. We hope to begin a cohort for the **Order of Christian Initiation of Adults** soon to start the preparations! We already have one Candidate who has expressed his interest and we would love to have a good-sized group to share the experience of discovering the Faith! An organizational meeting will take place Monday, October 3, at 7 p.m. For more information or to let us know you are coming, please call the Parish office at 217- 222-5996.

Pastoral Council Nominees 2022

In November of each year we have pastoral council elections. Candidates for the parish council must be over the age of 18 and a St. Anthony parish member who is a regular supporter of the parish through service activities or financial support or a combination of both, and also have taken Protecting God's Children or Empowering God's Children and have completed a background check as required by the Diocese of Springfield. Any active and contributing parish member over 18 may nominate his or herself. If you nominate a person other than yourself, please contact that person to ask if they are willing to accept the nomination. The nomination ballots will be in the pews the weekends of October 15-16 and October 22-23. Please turn in nomination ballots in the collection basket or to the Parish Office by October 24, 2022. Elections will be the weekend of November 12-13. If you have questions about serving on the parish council, please feel free to contact the Parish Office or Vicki Wittland, 217-223-9936.
