Today we celebrate the **32<sup>nd</sup> Sunday of Ordinary Time**. In the gospel today Jesus deals with a question about the resurrection of the dead. Jesus says of those called, "(They) neither marry nor are given in marriage." Our faith teaches us that there is only one marriage in eternal life. That is the marriage between Christ and His People. The sacramental marriages we live today are meant to help prepare us for the eternal marriage that is to come. We pray that our marriages continue to grow in holiness, in anticipation for the eternal marriage that is Heaven.

We have the results of our **2022 October Count**. According to our numbers we had an average weekend Mass attendance of **521 persons**, which is an **increase of +30.3%** from our 2021 October Count of 400. I believe our results are slightly inflated since some of our members have been attending Mass twice a weekend, participating in the count for "Vote with your Feet." Below are the results of our October Count (2019-2022) for each of our weekend Masses.

*Sunday, October 30*

	2022	2021	2020	2019	% Change (2021-22)

Sun. 5:00 p.m.	<u>79</u>	<u>89</u>	<u>101</u>	<u>162</u>	<u>- 11.2 %</u>
Total Weekend:	521	400	388	558	+30.3%

**To Be Reported**  
  
**on 11-13-22**

Next weekend (Nov. 12-13) we will celebrate the **Sacrament of Anointing of the Sick at all of our Sunday Masses**. We will offer this sacrament to anyone wishing to receive this sacramental anointing which brings healing to both body and soul.

## Women's Retreat 2022 | Unveiled

Women of all Parish's are welcome to join us on Saturday, November 19 from 6 p.m.—9 p.m. as we ponder the miracle that is our Eucharistic Lord and how the feminine heart is inclined to receiving Him. A meal will be included.

In combination with All Soul's Day, our Spanish speaking community celebrated Dia de los Muertos (Day of the Dead) on November 2.

Some elements on the ofrenda ( pictured ) are very symbolic...

**Ofrenda-** or altar is arranged with various levels and is to remind us of the stairway up to Heaven

**Marigolds-** attract the souls of the dead with their bright colors and pungent smell

**Calaveras-** or skulls are often colorful reminders of death. Some are made with sugar to remind us of the sweetness of life.

**Mirror and Wash station-** left for the dead to check their appearance and freshen up after their journey.

## The Children's Catechumenate

Blessed Sacrament Parish will now be offering RCIC which is a program to help children above the age of 7 convert to the Catholic Church. Catechesis is kid-friendly and interactive! If you have a child interested in joining the Catholic Church, please join us for our next meeting on November 7 at 3:00 p.m, in the Gathering Space.

## St. Cecilia Feast Day Celebration | Nov 29

St. Cecilia's, patron Saint of musician's, feast day is Nov 22. Please join us on November 29 at 6:30 p.m. at Blessed Sacrament Church for a celebration of this great Saint. Jesse Mose, Director of Sacred Music at QU, will give a talk on the history of Liturgical Music. Additionally, members of the QU Chamber choir will perform various pieces of liturgical music! Refreshments will follow in the Gathering Space.

## November is Diabetes Awareness Month

Diabetes is a disease that results in too much sugar in the blood. 30 million people in the US have some form of this disease. 1 in 4 don't realize they're walking around with it. It is the 7<sup>th</sup> leading cause of death in the US and is the number one cause of kidney failure, lower limb amputations, and adult blindness.

Types of diabetes include:

- Type 1 Diabetes - chronic condition in which the pancreas produces little to no insulin
- Type 2 Diabetes - chronic condition that affects the way the body processes sugar in the blood
- Prediabetes - a condition in which the blood sugar is high, but not high enough to be considered type 2.
- Gestational Diabetes—develops in some pregnant woman regardless of previous diabetes status

The most common symptoms of Diabetes are:

- Increased thirst
- Increased urination
- Fatigue
- Weight loss

Eating too much sugar does not cause diabetes, however being overweight can predispose you to developing the disease.

There is no cure for diabetes but it can be managed. Losing weight, eating healthy food and being active can help.
