From the Pastor's desk....

A most HAPPY MOTHERS DAY to all our moms!! May God bless our mothers, living and deceased, with his love and mercy. May Mary, the Mother of God, watch over and protect our mothers in their beautiful vocation within the family. I also know that today is a big “family” day; people will be visiting via telephone, internet and in person. May your conversations and time with mom and family be blessed.

Last weekend our 2nd graders made their first Holy Communion. An important time for the children, and also their parents. We are reminded that the Eucharist is not something separated from everything else. We are called to deepen our relationship with Jesus, and it is part of our Catholic faith. Practicing our Catholic faith keeps us connected to Jesus in the Eucharist—the 2 are not independent of each other. Let us pray that those who have been away from the church may come back to the church and her sacraments that give life, healing and hope.

Peace.....Fr. Jeff
