FROM THE DESK OF FATHER SAIKI

Dear Brothers and Sisters,

As we continue to enjoy summer break, the new school year will soon be upon us. As we do every year, we will be offering RCIA (Rite of Christian Initiation for Adults), for offer formation for those who would like to join the Catholic Church and for those who perhaps need a sacrament (i.e. Confirmation). For the past several years, Deacon Mike Hill has served our parish as the RCIA coordinator. As he continues his studies in canon law, he will be stepping back from RCIA. Deacon Mike Wilson and his wife Chris have generously volunteered to take over coordinating RCIA. They will be forming a team of catechists to offer intellectual and spiritual formation for our catechumens and candidates, and the crucial fraternal accompaniment that will foster the journey into the fullness of communion with the Lord and His Church. I am so grateful to Deacon Hill for his years of service, and I am very grateful to the Wilsons for taking on this important role!

I invite everyone to consider if they should invite a friend or a neighbor to attend RCIA. Perhaps someone who is already catholic, but who would benefit from the course and the fellowship. Anyone who is already catholic is welcome to attend the classes so to enrich their knowledge and understanding of the Faith! I do offer this caveat. We will have to limit participation to those who live in the parish boundaries or those who will easily make the Cathedral their spiritual home. We have had many people in recent years come into the Church through the course at the Cathedral, and then never come back after Easter. In many cases it has been due to folks living well outside of our boundaries and the county. In those cases, we would highly recommend RCIA in the parish closest to them so that they can incorporate themselves in their local parish family. Of course, we can make exceptions, but the goal of RCIA is to foster an integration into the Faith and the parish that can be sustained long after the Easter Vigil.

So please pray and consider if there is someone in your life who would benefit from RCIA. Can that person be invited and encouraged to seek the Lord here at the Cathedral or at the parish closest to them? Would RCIA be a benefit for you to grow in your knowledge and understanding of the Faith? Registrations will open sometime in September, but it is never too early to pray about helping another encounter the Lord.

Yours in the Most Sacred Heart of Jesus,
Father Saiki

Queridos Hermanos y Hermanas,

Mientras continuamos disfrutando de las vacaciones de verano, el nuevo año escolar pronto estará aquí. Como lo hacemos todos los años, estaremos ofreciendo RICA (Rito de Iniciación Cristiana para Adultos), para ofrecer formación para aquellos que deseen unirse a la Iglesia Católica y para aquellos que quizás necesiten un sacramento (es decir, la Confirmación).

Invito a todos a considerar si deben invitar a un amigo o vecino a asistir a RICA. Tal vez alguien que ya sea católico, pero que se beneficiaría del curso. ¡Cualquiera que ya sea católico esta bienvenido a asistir a las clases para enriquecer su conocimiento y comprensión de la fe! Ofrezco esta advertencia. Tendremos que limitar la participación a aquellos que viven en el territorio de la parroquia o aquellos que fácilmente harán de la Catedral su hogar espiritual. Hemos tenido muchas personas en los últimos años que vienen a la Iglesia a través del curso en la Catedral, y luego nunca regresan después de la Pascua. En muchos casos se ha debido a que la gente vive bien fuera de nuestros límites y del condado. En esos casos, recomendaríamos el curso de RICA en la parroquia más cercana para que puedan incorporarse a su familia parroquial local. Por supuesto, podemos hacer excepciones, pero el objetivo de RICA es fomentar una integración en la Fe y la parroquia que pueda sostenerse mucho después de la Vigilia Pascual.

Así que ore y considere si hay alguien en su vida que se beneficiaría de RICA. ¿Se puede invitar y animar a esa persona a buscar al Señor aquí en la Catedral o en la parroquia más cercana? ¿RICA sería un beneficio para usted para crecer en su conocimiento y comprensión de la fe? Las inscripciones se abrirán en septiembre, pero nunca es demasiado temprano para orar por ayudar a otros a encontrar al Señor.

Suyo en el Sagrado Corazón de Jesús,
Padre Saiki

THE TRUTH ABOUT ABORTION & WOMEN'S HEALTH

Abortion does not save women's lives.

Abortion is the direct and intentional killing of a child in the womb. Abortion is never medically necessary. It does not treat or solve any pregnancy-related complication. Outlawing abortion will not affect treatment for miscarriage. Treatment for miscarriage and abortion is not the same thing. There is a complete moral and legal difference between losing a child through miscarriage and intentionally taking the life of a child. In the tragic case of miscarriage, surgery may be necessary—and is an ethical treatment—to remove the remains of an unborn child who has already died. While the same surgery is done to perform an abortion, abortions impose this procedure on a living child with the intention of ending his or her life.

Women can get the lifesaving treatments they need—without abortion.

In rare cases, and in the absence of better alternatives, life-threatening maternal health conditions may require interventions that indirectly and unintentionally lead to the death of an unborn child. Abortion restrictions will not prevent women from receiving these treatments. When the lives of mother and child are in immediate danger, the goal is to fight to save both patients. Effective treatments exist that seek to save the life of the mother and never to intentionally harm her unborn child. When a woman's life is at risk in pregnancy, preterm delivery may be used as a lifesaving medical intervention to preserve the life of both mother and child. **Ectopic pregnancies** result when an embryo implants outside the uterus—often in the fallopian tube. Sadly, such embryos cannot survive and this condition can pose serious risks to the mother. While ectopic pregnancies sometimes resolve naturally, interventions are often necessary. When done ethically, treatment for an ectopic pregnancy is not abortion. Ethical interventions include the removal of the damaged fallopian tube containing the embryo or, if embryo death has already occurred, medication can be used to resolve the ectopic pregnancy.

Bottom line: Abortion restrictions never prevent women from receiving life-saving treatment.

Catechists and Catechist Aides Needed

Religious Education teachers are called catechists. A catechist (from the Greek word "to echo") is someone commissioned by the parish to hand down the Faith Tradition. Our Religious Education program is in need of Catechists and Aides, those willing to share the Faith with our parish children and teens.

Religious Education traditionally begins in September and ends in May. Classes are held once a week in our RCS school building.

Our Director of Faith Formation is recruiting catechists & aides for the following classes:

1st Year Rite of Christian Initiation for Children, Middle School First Holy Communion, Special Needs Sacramental Preparation. Ongoing formation classes for grades 3rd, 4th, 5th, and 6th.

Why be a catechist?

-You will grow in your own faith, learn the teachings of the Church and deepen your relationship with Jesus Christ

-Children and Teens in our culture today, more than ever need to hear the Good News of Jesus Christ

-You'll be handing down a 2000-year-old Tradition that has the potential to change lives of students and families

LA VERDAD SOBRE EL ABORTO Y LA SALUD

El aborto no salva la vida de las mujeres.

El aborto es el asesinato directo e intencional de un niño en el seno materno. El aborto nunca es una necesidad médica. No trata ni soluciona ninguna complicación relacionada con el embarazo. Prohibir un aborto no afectará el tratamiento para un aborto espontáneo. El tratamiento para un aborto espontáneo y un aborto no es lo mismo. Hay una total diferencia moral y jurídica entre perder un hijo por un aborto espontáneo y quitar la vida a un hijo de manera intencional. En el caso trágico de un aborto espontáneo, puede ser necesaria una cirugía, y esta constituye un tratamiento ético— para quitar los restos de un niño no nacido que ya murió. Aunque la misma cirugía se hace en un aborto, los abortos imponen este procedimiento en un hijo vivo con la intención de terminar su vida.

Las mujeres pueden conseguir tratamientos necesarios para salvarles la vida sin recurrir a un aborto.

En raros casos, y si no hay mejores alternativas, si hay afecciones de salud maternal que pongan en riesgo la vida se pueden requerir intervenciones que indirectamente y sin intención tengan como resultado la muerte de un niño en el seno materno. Las restricciones en los abortos no impedirán que las mujeres reciban estos tratamientos. Cuando la vida de la madre y del hijo están en peligro inminente, el objetivo es bregar para salvar a ambos pacientes. Existen tratamientos efectivos que buscan salvar la vida de la madre y nunca dañar intencionalmente a su hijo en el vientre. Cuando la vida de una mujer está en riesgo durante el embarazo, se puede realizar un parto prematuro como una intervención médica para salvar la vida con la intención de preservar la vida de la madre y del hijo. Los embarazos ectópicos ocurren cuando un embrión se implanta fuera del útero, por lo general en las trompas de Falopio. Lamentablemente los embriones no pueden sobrevivir y esta afección puede implicar graves riesgos para la madre. Aunque los embarazos ectópicos a veces se resuelven de manera natural, las intervenciones por lo general son necesarias. Cuando se hace de manera ética, el tratamiento para un embarazo ectópico no constituye un aborto. Las intervenciones éticas implican quitar la trompa de Falopio dañada que contiene el embrión o, si el embrión ya murió, se puede usar medicación para solucionar el embarazo ectópico.

En pocas palabras: las restricciones al aborto nunca impiden que las mujeres reciban un tratamiento que les salve la vida.

EVENTOS FUERA DE LA PARROQUIA

Noche Familiar de Deporte

El 30 de julio, de 6:00 p. m. a 9:00 p. m., celebraremos la noche familiar en el gimnasio abierto. Una oportunidad para que los feligreses de todas las edades usen nuestro gimnasio. Catequistas y Ayudantes Necesitados

Los profesores de Educación Religiosa se llaman Catequistas. Un catequista (de la palabra griega "hacer eco") es alguien comisionado por la parroquia para transmitir la Tradición de Fe. Nuestro programa de Educación Religiosa necesita catequistas y ayudantes, aquellos que estén dispuestos a compartir la fe con los niños y adolescentes de nuestra parroquia. Catecismo tradicionalmente comienza en septiembre y termina en mayo. Las clases se llevan a cabo una vez por semana en nuestro edificio escolar de Resurrección. Nuestro Director de Formación en la Fe está reclutando catequistas y ayudantes para las siguientes clases:

1er Año Rito de Iniciación Cristiana para Niños, Escuela Secundaria Primera Comunión, Necesidades Especiales Preparación Sacramental. Clases de formación continua para los grados 3°, 4°, 5° y 6°.

¿Por qué ser catequista?

-Crecerás en tu propia fe, aprenderás las enseñanzas de la Iglesia y profundizarás tu relación con Jesucristo

-Los Niños y Adolescentes en nuestra cultura de hoy, más que nunca necesitan escuchar las Buenas Nuevas de Jesucristo

-Estarás transmitiendo una tradición de 2000 años que tiene el potencial de cambiar la vida de los estudiantes y las familias. Para ser catequista si requerimos que sean bilingüe, para los ayudantes no.

¿Interesado en ser catequista o ayudante?
