THE TRUTH ABOUT ABORTION & WOMEN'S HEALTH

Abortion does not save women's lives.

Abortion is the direct and intentional killing of a child in the womb. Abortion is never medically necessary. It does not treat or solve any pregnancy-related complication. Outlawing abortion will not affect treatment for miscarriage. Treatment for miscarriage and abortion is not the same thing. There is a complete moral and legal difference between losing a child through miscarriage and intentionally taking the life of a child. In the tragic case of miscarriage, surgery may be necessary—and is an ethical treatment—to remove the remains of an unborn child who has already died. While the same surgery is done to perform an abortion, abortions impose this procedure on a living child with the intention of ending his or her life.

Women can get the lifesaving treatments they need—without abortion.

In rare cases, and in the absence of better alternatives, life-threatening maternal health conditions may require interventions that indirectly and unintentionally lead to the death of an unborn child. Abortion restrictions will not prevent women from receiving these treatments. When the lives of mother and child are in immediate danger, the goal is to fight to save both patients. Effective treatments exist that seek to save the life of the mother and never to intentionally harm her unborn child. When a woman's life is at risk in pregnancy, preterm delivery may be used as a lifesaving medical intervention to preserve the life of both mother and child. **Ectopic pregnancies** result when an embryo implants outside the uterus—often in the fallopian tube. Sadly, such embryos cannot survive and this condition can pose serious risks to the mother. While ectopic pregnancies sometimes resolve naturally, interventions are often necessary. When done ethically, treatment for an ectopic pregnancy is not abortion. Ethical interventions include the removal of the damaged fallopian tube containing the embryo or, if embryo death has already occurred, medication can be used to resolve the ectopic pregnancy.

Bottom line: Abortion restrictions never prevent women from receiving life-saving treatment.

Youth Ministry

Youth Ministry is taking a break for the month of August! We will resume the first Monday of September, September 4. During this time our Director of Faith Formation is re-evaluating our Youth Nights as well as preparing events for Fall semester. Our Director of Faith Formation is also looking for young adults from the ages of 18-30 who are interested in being apart of youth ministry as volunteers. Minimum of 2 hours per week time commitment. Email vlobatos@cathedralkck.org to get involved.

Catechists and Catechist Aides Needed

Religious Education teachers are called catechists. A catechist (from the Greek word "to echo") is someone commissioned by the parish to hand down the Faith Tradition. Our Religious Education program is in need of Catechists and Aides, those willing to share the Faith with our parish children and teens.

Religious Education traditionally begins in September and ends in May. Classes are held once a week in our RCS school building.

Our Director of Faith Formation is recruiting catechists & aides for the following classes:

1st Year Rite of Christian Initiation for Children, Middle School First Holy Communion, Special Needs Sacramental Preparation. Ongoing formation classes for grades 3rd, 4th, 5th, and 6th.

Why be a catechist?

-You will grow in your own faith, learn the teachings of the Church and deepen your relationship with Jesus Christ.

-Children and Teens in our culture today, more than ever need to hear the Good News of Jesus Christ.

-You'll be handing down a 2000-year-old Tradition that has the potential to change lives of students and families.

Interested in being a catechist or aide?

RCS Back to School - Prayer For A New School Year

On Tuesday, August 15 our RCS school children report back to school. Let's keep our RCS families, teachers, and staff in prayer.

Join us in praying:

Lord our God,
in your wisdom and love
you surround us with the mysteries of the
universe.

Send your Spirit upon these students
and fill them with your wisdom and
blessings.

Grant that they may
devote themselves to their studies
and draw ever closer to you,
the source of all knowledge.

We ask this through Christ our Lord.
Amen.

El aborto no salva la vida de las mujeres.

El aborto es el asesinato directo e intencional de un niño en el seno materno. El aborto nunca es una necesidad médica. No trata ni soluciona ninguna complicación relacionada con el embarazo. Prohibir un aborto no afectará el tratamiento para un aborto espontáneo. El tratamiento para un aborto espontáneo y un aborto no es lo mismo. Hay una total diferencia moral y jurídica entre perder un hijo por un aborto espontáneo y quitar la vida a un hijo de manera intencional. En el caso trágico de un aborto espontáneo, puede ser necesaria una cirugía, y esta constituye un tratamiento ético— para quitar los restos de un niño no nacido que ya murió. Aunque la misma cirugía se hace en un aborto, los abortos imponen este procedimiento en un hijo vivo con la intención de terminar su vida.

Las mujeres pueden conseguir tratamientos necesarios para salvarles la vida sin recurrir a un aborto.

En raros casos, y si no hay mejores alternativas, si hay afecciones de salud maternal que pongan en riesgo la vida se pueden requerir intervenciones que indirectamente y sin intención tengan como resultado la muerte de un niño en el seno materno. Las restricciones en los abortos no impedirán que las mujeres reciban estos tratamientos. Cuando la vida de la madre y del hijo están en peligro inminente, el objetivo es bregar para salvar a ambos pacientes. Existen tratamientos efectivos que buscan salvar la vida de la madre y nunca dañar intencionalmente a su hijo en el vientre. Cuando la vida de una mujer está en riesgo durante el embarazo, se puede realizar un parto prematuro como una intervención médica para salvar la vida con la intención de preservar la vida de la madre y del hijo.¹ Los embarazos ectópicos ocurren cuando un embrión se implanta fuera del útero, por lo general en las trompas de Falopio. Lamentablemente los embriones no pueden sobrevivir y esta afección puede implicar graves riesgos para la madre. Aunque los embarazos ectópicos a veces se resuelven de manera natural, las intervenciones por lo general son necesarias. Cuando se hace de manera ética, el tratamiento para un embarazo ectópico no constituye un aborto. Las intervenciones éticas implican quitar la trompa de Falopio dañada que contiene el embrión o, si el embrión ya murió, se puede usar medicación para solucionar el embarazo ectópico.

En pocas palabras: las restricciones al aborto nunca impiden que las mujeres reciban un tratamiento que les salve la vida.

Catequistas y Ayudantes Necesitados

Los profesores de Educación Religiosa se llaman Catequistas. Un catequista (de la palabra griega "hacer eco") es alguien comisionado por la parroquia para transmitir la Tradición de Fe. Nuestro programa de Educación Religiosa necesita catequistas y ayudantes, aquellos que estén dispuestos a compartir la fe con los niños y adolescentes de nuestra parroquia. Catecismo tradicionalmente comienza en septiembre y termina en mayo. Las clases se llevan a cabo una vez por semana en nuestro edificio escolar de Resurrección. Nuestro Director de Formación en la Fe está reclutando catequistas y ayudantes para las siguientes clases:

1er Año Rito de Iniciación Cristiana para Niños, Escuela Secundaria Primera Comunión, Necesidades Especiales Preparación Sacramental. Clases de formación continua para los grados 3°, 4°, 5° y 6°.

¿Por qué ser catequista?

-Crecerás en tu propia fe, aprenderás las enseñanzas de la Iglesia y profundizarás tu relación con Jesucristo

-Los Niños y Adolescentes en nuestra cultura de hoy, más que nunca necesitan escuchar las Buenas Nuevas de Jesucristo

-Estarás transmitiendo una tradición de 2000 años que tiene el potencial de cambiar la vida de los estudiantes y las familias. Para ser catequista si requirimos que sean bilingüe, para los ayudantes no.

¿Interesado en ser catequista o ayudante?
