Thirtieth Sunday in Ordinary Time

OCTOBER 29, 2023

Exodus 22:20-26; 1 Thessalonians 1:5c-10;
Matthew 22: 34-40

At the time of Jesus, Pharisees held that the ultimate self-revelation of God was the Torah. The Torah was eternal, unchangeable, and the way of salvation. If a person kept the Torah, he would find life.

They distinguished 613 precepts or laws in the Torah. Although the Torah was eternal, it was revealed to Moses in time, on Mt. Sinai. But the elders held that not all precepts were equal; some were “heavy” and some were “light.” So they asked Jesus what was the most important precept in the Torah.

Jesus quoted Deuteronomy 6:5 (Love God above all). And then he added Leviticus 19:18 as a co-equal precept (Love your neighbor as yourself). Jesus was the first person to put these two laws together and make them different sides of the same coin.

The first reading in its details is irrelevant to modern life. But it instructs us that our love of neighbor must be practical and concrete.

Too many people talk a good game of “care and compassion,” but never *do* anything. If we say we love our neighbor, we must show it by our deeds.

In the second reading, Paul uses good psychology in complimenting the Thessalonians on their faith and constancy. If we want to win people to our viewpoint, we do not mount a frontal attack or verbal broadside. Honey attracts more flies than vinegar.

30TH SUNDAY IN ORDINARY TIME

Our readings this weekend call us to be people of genuine love. We are reminded in the book of Exodus to treat the poor, the orphan, and the widow with love and respect. Jesus then takes this teaching and the teaching of the commandments and summarizes them to answer the question he is asked today. Which commandment in the law is the greatest? Jesus answers with Deuteronomy 6:5, which Jewish people would say not just every day, but often more. They were told to teach their children this commandment as well. "You shall love the Lord your God with your whole heart and your whole being and your whole strength." (Deut 6:5). The second commandment is to love your neighbor as yourself. The 10 commandments are summed up in these two. The first three are about how to love the Lord and the last seven are about how to love our neighbor. Giving to God what is due to God and giving to man what is due to man is called justice, but this is more than justice, this is love. May we love as Jesus commanded us.

This last weekend we had a wonderful visit from the seminarians of Kenrick Glennon seminary propaedeutic year. We had 15 seminarians, as well as their formator Fr. Auro, and our very own Thomas Marten. They came to see the Tolton sights, to experience Quincy and to visit our wonderful parish. What a beautiful sight it was to have them with us at mass at 4:30. This is the future of our church and priesthood and what a beautiful future it is. Please continue to pray for all of these men and for the work that our seminaries do to form our priests. We hope they return anytime.

We had a wonderful event at the school called the "Fall Festival." We've always had a trunk or treat but this year it was expanded into way more. What a wonderful event with so many of our students and their families present. It was such a wonderful evening including many of our teachers and myself being pied in the face to raise money for our 8th graders going on a class trip. I still can smell the whipped cream but what a fun evening. Thanks for all who made that event happen.

Lastly, I want to commend the parish. We recently had someone join our parish because a random parishioner came up to them and welcomed them when they noticed they were new and not a face they recognized. They talked to them, welcomed them, and told them about the parish. They said they've never been so welcomed. Thank you to whoever did that and may we all be just like this welcoming person so that all feel at home here at Saint Francis! How exciting! We have such an alive and vibrant and active and prayerful community! Praise the Lord!

Thanksgiving Meal Boxes for Parishioners

Each year before Thanksgiving the St. Francis Community Assistance Ministry provides Thanksgiving Meal Boxes for our parishioners who have a need for this service. The boxes are filled with all the fixings for a Thanksgiving meal.

This is a confidential service for parishioners only.

If you or someone you know in the parish could use this service this year please email ambmcgee1416@gmail.com or call/text 217-430-1533. If you have received this service before you should hear from a volunteer in the next couple of weeks.

Advent Giving Tree

We will have the Advent Giving Tree once again this year. We ask that if you know of any school family, or family registered as a parishioner in St. Francis Parish who could use some help at Christmas, please come forward **by this Monday, October 30**, and let the committee know.

You may submit a name sealed in an envelope and bring it to the Parish Office. Or you may call Pat Holbrook, 217-257-2570 or Mary Ann Cornwell, 217-430-0528. Parishioners also are encouraged to come forward and ask our faith community for assistance with a self referral if needed. Please call Pat Holbrook or Mary Ann Cornwell with these requests as well.

This program is parishioners helping our own parish family. This year we would like to include parishioners residing in nursing homes, so you will see some different requests on the tags this year.

There will be many opportunities to donate this season for community outreach as well. Please do not feel that you have to give to each request but choose the ones that you prefer.

Each classroom in the school has a Partner Class of a different grade level. They do activities together throughout the school year, including sitting at Mass together once a month. Students of different grade levels get to know each other, and sometimes become friends! Partner classes are rotated each year so students are always meeting new people at school.
