FROM THE DESK OF FATHER SAIKI

Dear Brothers and Sisters,

This weekend we have a new addition to our sanctuary space. (If for some reason it is not this weekend, it will be next weekend.) We have a new option for those who receive Holy Communion while kneeling. It is a hybrid of a kneeler and a communion rail. It is technically a kneeler in that it does not span the full width of the sanctuary, has no gate, and it is not fixed permanently to the floor. As it offers the efficiency of multiple people kneeling at a time, it is practically a communion rail. We made this kneeler/rail because the Archbishop asked me to find a sturdier and more permanent way of accommodating kneeling for Communion than the individual kneelers. Discussing in more detail what he was desiring, we arrived at this design. We received a grant to produce it, so it was no cost to the parish. With the installation of this expanded kneeler, we will not be changing how we distribute Communion. If you prefer to stand and receive on the hand, to stand and receive on the tongue, to kneel and receive in the hand, to kneel and receive on the tongue, you are welcome to continue your preference. This will hopefully be a more comfortable and more efficient option for those who wish to kneel, to simply come forward and find a spot for the minister to offer them Communion, and not feel rushed or shaky as they kneel.

It may not seem like so great a need at the 4:00 p.m. and 8:00 a.m. Masses, but we are seeing a significant increase at the 10:00 a.m. and 12:00 p.m. Masses of people desiring to receive Our Lord while kneeling. This increase in interest and desire to kneel while receiving Communion is growing throughout the Archdiocese and the wider Church. I have spoken with priests in other parts of the country and in a couple of other countries who are observing an increase in this practice. It is important to note, as I have mentioned in the past, that the practice of kneeling while receiving Our Lord is a valid and licit option for all the faithful. We have had several conversations and presentations at the Archdiocesan level to study the history and law around this practice. A basic summary of our conversations and studies of the pertinent ecclesial texts is that if a practice is within our tradition, and it is not prohibited, then we are not to prohibit it ourselves.

I can't help but notice too, that much of the increase in kneeling for Communion is occurring during this time of our Eucharistic Revival, as we are striving to deepen our belief and love for the Lord and His Real Presence in the Eucharist. I see the diversity in devotion for the Lord as a richness of our Faith and a benefit for all of us. That diversity can inspire all of us, no matter our preference in receiving Communion, to be more intentional about how and why we receive the way we do, and to focus all the more of the great reality we are participating in, and who we are welcoming into our bodies and souls.

If you have any questions or concerns, please do not hesitate to speak to me. I hope that all of our increase in devotion will bear great fruit in our souls, and will deepen our belief and love for Our Lord so totally present to us in the Blessed Sacrament!

Yours in the Sacred Heart of Jesus,
Father Saiki

Queridos Hermanos y Hermanas,

Este fin de semana tenemos una nueva incorporación a nuestro espacio santuario. (Si por alguna razón no es este fin de semana, será el próximo fin de semana). Tenemos una nueva opción para aquellos que reciben la Sagrada Comunión arrodillados. Es un híbrido de reclinatorio y comulgatorio. Técnicamente es un reclinatorio porque no abarca todo el ancho del santuario, no tiene puerta y no está fijado permanentemente al piso. Como ofrece la eficiencia de varias personas arrodilladas a la vez, es prácticamente un comulgatorio. Hicimos este reclinatorio/ comulgatorio porque el Arzobispo me pidió que encontrara una forma más firme y permanente de acomodar el arrodillamiento para la Comunión que los reclinatorios individuales. Hablando con más detalle lo que deseaba, llegamos a este diseño. Recibimos dinero para producirlo, por lo que no tuvo ningún costo para la parroquia. Con la instalación de este reclinatorio ampliado, no cambiaremos la forma en que distribuimos la Comunión. Si prefiere pararse y recibir con la mano, pararse y recibir con la lengua, arrodillarse y recibir con la mano, arrodillarse y recibir con la lengua, puede continuar con su preferencia. Con suerte, esta será una opción más cómoda y eficiente para aquellos que deseen arrodillarse, simplemente acercarse y encontrar un lugar para que el ministro les ofrezca la Comunión, y no sentirse apresurados o temblorosos al arrodillarse.

Puede que no parezca una necesidad tan grande en las Misas de las 4:00 p.m. y las 8:00 a.m., pero estamos viendo un aumento significativo en las Misas de las 10:00 a.m. y las 12:00 p.m. de personas que desean recibir a Nuestro Señor de rodillas. Este aumento en el interés y el deseo de arrodillarse mientras se recibe la Comunión está creciendo en toda la Arquidiócesis y en la Iglesia en general. He hablado con sacerdotes en otras partes del país y en un par de países más que están observando un aumento en esta práctica. Es importante señalar, como he mencionado en el pasado, que la práctica de arrodillarse mientras se recibe a Nuestro Señor es una opción válida y licita para todos los fieles. Hemos tenido varias conversaciones y presentaciones a nivel Arquidiocesano para estudiar la historia y la ley en torno a esta práctica. Un resumen básico de nuestras conversaciones y estudios de los textos eclesiales pertinentes es que, si una práctica está dentro de nuestra tradición y no está prohibida, entonces no debemos prohibirla nosotros mismos.

No puedo evitar notar también que gran parte del aumento en el número de arrodillados para la Comunión ocurre durante este tiempo de nuestro Avivamiento Eucarístico, mientras nos esforzamos por profundizar nuestra creencia y amor por el Señor y Su Presencia Real en la Eucaristía. Veo la diversidad en la devoción al Señor como una riqueza de nuestra Fe y un beneficio para todos nosotros. Esa diversidad puede inspirarnos a todos, sin importar nuestra preferencia al recibir la Comunión, a ser más intencionales sobre cómo y por qué recibimos la forma en que lo hacemos, y a centrarnos aún más en la gran realidad en la que participamos y quien estamos recibiendo en nuestros cuerpos y almas.

Si tiene alguna pregunta o inquietud, no dude en hablar conmigo. ¡Espero que todo nuestro aumento en la devoción dé grandes frutos en nuestras almas y profundice nuestra creencia y amor por Nuestro Señor tan totalmente presente para nosotros en el Santísimo Sacramento!

Suyo en el Sagrado Corazón de Jesús,
Padre Saiki

MAY IS FOSTER CARE AWARENESS MONTH!

Every child is a unique and precious gift from God who deserves a loving family. Sadly, every day in Kansas, children are removed from their homes for a variety of reasons and through no fault of their own. Right now in Kansas there are roughly 7,000 children in care, coming from all backgrounds and from every community. Many have experienced trauma and are frightened and lonely.

Archbishop Naumann says, “To be truly pro-life, we must make sure that every child has an environment where he or she can thrive.” Foster parents open their hearts and homes helping children heal, trust, and hope again. Currently there are only approximately 2,700 licensed foster families in Kansas. The Church is the solution! Everyone can help – either by becoming a foster family, supporting the families who do foster, donating necessities or gifts for children, or mentoring teens who are aging out of the system.

Please visit www.archkcks.com/foster to learn more.

MESSAGE FROM DEACON HILL

Parishioners of the Cathedral:

For the next few weeks I will be out of town. For the last 3 years, I have been working toward completing studies that will allow me to serve in a new role in the Tribunal for the Archdiocese.

I will still keep the assignment here but as a deacon, most of my assignments are outside of the parish.

You will all be in my prayers and I ask for yours, so this can be successfully completed, in return.

In Christ,

Deacon Michael Hill
