From the Pastor's desk....

Our faith is a true blessing. We consume the true food; Jesus Christ in the sacrament of the Eucharist. Today we have a special day in the church—Corpus Christi! How blessed we are that our Lord had supper with his friends before his death. He gave them bread and wine, and told them that from now on, this is my Body. This is my Blood. May we never take for granted this holy gift.

This weekend I am going down “Memory Lane” as I remember 34 years ago when I was ordained a priest by Bishop Imesch at our cathedral in Joliet. I was a seminarian “trained” in the 1980’s. Our world, church, and country were in a very different place back then. If you are old enough to remember those days, I am sure you will agree with me. I am most grateful for the people that God has surrounded me with in all these years. A true blessing. Understanding the will of God is something important for each of us. He is always with us in all that we do. He gives great strength, hope and encouragement. My 34 years as a priest, and my 6 ½ years in the seminary have all been meaningful—and I have felt the presence of God in all of it.

Meetings for Parish Restructuring will begin in September. By the end of October we will be presented with several possible options. In November we need to discern which option we like best. The bishop will make a decision in the Winter. All changes begin next summer, July 1. It will be important to come to the Fall meetings and become an active participant.

Peace.....Fr. Jeff
