From the Pastor's desk....

This past Friday was the Feast of the Sacred Heart of Jesus. May we take comfort in the love that Jesus has for us; we need only think of his heart burning with love for us. How humbling. We are not alone, Jesus is with us. May the Sacred Heart of Jesus be loved everywhere.

Another question and answer that may need to be seen as we go through the restructuring in our area: Question— Is our parish going to close? Answer— Many outcomes are possible. Restructuring does not equate to closing. Our parish could be combined with one or two other parishes. It could become a mission of another parish. All of these possibilities will be explained in upcoming communications and at parish meetings which will begin in September.

June is the beginning of our Summer Time here in the Chicago area. May you be blessed with good memories of this Summer, June, July, and August.

Peace.....Fr. Jeff

**Marriage Hack-of-the-Month –
The Stress-Reducing Conversation!**

Learning to cope with external pressure is crucial to a marriage’s long-term health. A simple, effective way for couples to earn deposits in their emotional bank account is to reunite at the end of the day and talk about how it went. We call this the “How was your day, dear?” conversation, or more formally, the Stress-Reducing Conversation. Many couples have the “How was your day, dear?” conversation but the talk does not help either partner relax. Instead, it escalates the stress and tension between them because they end up not feeling heard. If this sounds like you and your partner, changing your approach to these end-of-the-day talks can ensure that they help both of you unwind.
