JULY 14, 2024

Amos 7:12-15; Ephesians 1:3-14 or  
Ephesians 1:3-10; Mark 6:7-13

From all eternity, God had a plan for you! From all eternity, he wanted you to be modeled after Jesus Christ who was to come. Read the second reading carefully. From all eternity, he called you to be his adopted son or daughter, and he wants you always to live like that – to live like Christ!

(Jews believed that the Torah was the model of all creation. They thought that the Torah was the eternal, ultimate self-revelation of God. The Torah was delivered to Moses in time, but it was eternal. It was the model and purpose of all creation. The New Testament teaches us that Jesus, not the Torah, is the model and purpose of creation; all things were made to fit his image!)

God chose us in Christ before the world ever began! If we modeled after Christ, we must stand up for what is right and true, even when it is not popular.

The first reading tells of the prophet Amos. Amos was a poor, simple, dirt farmer; he didn't want to be a prophet. But because God called him, he had to be a prophet! He had to speak the truth!

The Gospel tells us that Jesus chose a rather motley group to be his apostles. By and of themselves, they are not very much! But the Lord empowers them with his grace. The Lord has called us. He also will empower us by his grace. Let us renew our dedication to live according to our model, Jesus Christ.

*Fifteenth Sunday in Ordinary Time, July 14, 2024*

**Dear Parishioners,**

Well, we are in the middle of summer and our current weather seems to be reflective of that reality. It is hot and humid but this is what is expected living in this area of our country. I just can't believe how fast the summer has been moving. Within a month, we anticipate the start up of another school year. And I know for sure, I am not ready for that.

In our gospel today, Jesus sends the twelve apostles on a mission. They are to go two by two, indicating the need for support in their ministry. I don't know about you, but that sends a clear message for us today, that we need one another to support and encourage one another in our various ministries. Then Jesus instructs them to "take nothing for their journey but a walking staff." They are to trust in God and depend on the goodness of the persons they serve. In the places that I have served as a priest, I might have failed at my total trust in God, but I have always had parishioners who opened their homes and hearts to me. As we transition to a new priest, I have confidence that you will open up your hearts and homes to Fr. Paul as you did all the other priests that preceded him. After these instructions, we are told that the apostles "went off and preached repentance. The twelve drove out many demons, and they anointed with oil many who were sick and cured them." We pray that our own ministries might be as successful as the apostle's ministry.

In my bulletin column last week, I mentioned that I will have Fr. Paul Lesupati, our new parochial vicar, introduce himself to the parish. Without thinking, I failed to realize that he already has in and through our monthly newsletter. So rather than repeating himself, I will ask you to read what he wrote in our July newsletter.

As I informed you in a previous bulletin column, we were looking at replacing our gym floor as the rubber flooring was looking grimy and dirty. As we called in people to recommend things, we were told that there had been mercury used when they poured the flooring and that what we were seeing wasn't dirt but the mercury coming to the top. There was no problem as long as this flooring was never cut which would release the vapors, making it a health hazard. So before we could put down a new floor, we were told we needed to remove the rubber flooring. And this removal needed to be done by people who handled hazardous waste. So we hired a company from St. Louis and they were able to complete the job within a three week period. So we are down to the concrete for a while until the new wood gym floor is installed. But this abatement cost was totally a surprise to our budget but I was not going to let it be a concern for our staff and students. The cost of the abatement was \$144,970. The new gym floor will not be ready until late August as there is a back up for the installers. As our gospel says about the apostles "shaking the dust from their feet," I wasn't able to shake the mercury from our flooring. I think I might finally be through with various abatements, whether it was asbestos, and now mercury. Thank God I have a parish family that is a stewardship family. I will continue to trust in God, knowing that I also have the support of the people whom I serve.

# The School of St. Peter

Week of July 14, 2024

## A Message from Mrs. Cindy Venvertloh

*"St. Peter School provides a quality education built on Catholic values and teachings."*

### A COMMON QUESTION PRIOR TO THE START OF SCHOOL

When do I find out which classroom (homeroom) that my child will be in for the school year? Everyone will find out towards the end of July and will be notified in the way of an email message along with information about the start of the school year. Please note that we cannot grant requests for placement or make any changes. Class lists are completed and we rely on the teachers as we trust they have learned who their students are for placement for the coming school year. It would be impossible to fill everyone's needs. We look forward to seeing you soon!!!

### NON-DISCRIMINATION POLICY

St. Peter Catholic School admits students of any race, color, sex, or national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate based on race, color, sex, or national and ethnic origin in the administration of its educational policies, admissions policies, scholarships, loan programs, athletics, or school-administered programs. Our schools do reserve all their rights as religious entities in accord with the teachings of the Catholic Church, the protections of the First Amendment of the U.S. Constitution, and the Illinois Religious Freedom Restoration Act 775 ILCS 35/.

Last Thursday, St. Peter campus received an award from the Quincy Tree Beautification Commission for the landscaping that has been done around the St. Peter campus. I want to thank all those who are involved from our grass cutting group on Wednesdays to all the other various groups who plant, water and take care of our landscaping around our campus. As a parish, our parishioners take much pride in the areas around our Church, school, and rectory. As an acknowledgement, we will be hosting a sign in front of the rectory signifying this award.

Finally, our fund-raising campaign, Upon This Rock, is still continuing. Slowly we are making progress as we need 50% on hand in order to begin the project. Our architects are working on the projected costs so we will have a figure to submit to the diocese for approval. It all takes time and I need to keep you abreast as to what is happening. It is not put on hold but there is a process with the diocese that we have to go through so I have to make sure our t's are crossed and i's dotted.
