*From the Pastor's desk....*

*This week on Thursday, July 11, the church remembers St. Benedict. The Benedictine priests, brothers and sisters use Ora et Labora as their charism—Prayer and Work. It is through daily prayer and work we find God and develop a closer relationship with Him. Many of us here in the Chicago area have been taught by Benedictines. Near us in Lisle, we have had the “4 corners” of the Benedictines for many years with the abbey for the monks, the monastery for the sisters, the high school and the college. Then, there is the quite famous Marmion Abbey in Aurora that has run an all-boys Catholic high school for many years.*

*When I started the seminary in 1984, my first experience with the Benedictine presence was in southern Indiana at St. Meinrad. The monks there have run a seminary for over 100 years! The Archabbey down in southern Indiana is still quite large with monks and students; but not as large in numbers as when I attended there. I'm reminded when I think of that, that we must pray for vocations to the priesthood and religious life.*

*St. Benedict urged all people to search out God in their life. There is no higher calling in one's life than that. Searching for God and understanding His ways is paramount for us. I pray that you reflect on St. Benedict and any Benedictines who have taught you or ministered to you in the past.*

*Peace.....Fr. Jeff*

**Feast of St. Benedict - July 11**

Have you ever wanted to change the world? 5th century Europe was a dark place. The Roman Empire had fallen, and barbarian tribes were picking over the scraps of what remained. Faith hung on, but there was no consistent, coherent Christian culture in the world around. Young Benedict began his life with education and privilege but became disillusioned by a life pursuing material success. He withdrew to a monastery and spent much time in solitude. He began attracting followers, whom he organized over time into 12 monasteries, with a 13th established to train young monks. He wrote a rule of life including basic principles for living as Christ. His monks took three vows: conversion to Christ, obedience to the local abbot, and stability to remain with the community. Benedictine monasteries became lights in the darkness, secure centers of Christian culture enlivening the faithful beyond their walls. When the world around us seems complicated and contrary to the Gospel, how will you be a light?
