A Message from Fr. Tom Donovan:

Paul closes his Second Letter to the Corinthians with a testimony to God's work in his life. Paul is obviously a bright man, he was able to convince many people of the Good News of Christ through his preaching and he was one of the few in society who could write. But he realizes that his success is not about him or the work that he did... it is not because of his strength or wisdom or courage... it is *in spite of himself* that he has been successful.

He writes somewhat cryptically of a "thorn in the flesh" that was given to him. Do we know what that was? Some scripture scholars suggest he might have had a speech impediment. Still others think he was going blind or might have had epilepsy. Still others propose that it was some history of sin in his life, which would be apparent by the way he hunted down Christians for persecution before his conversion. We don't exactly know what Paul was referring to, but in any case, Paul points to God's grace, which has been 'enough' for him.

Paul's testimony is no gesture of false humility, nor is it a sign of anxiety over his limitations and failures. God has been faithful to him throughout his apostolic ministry, even in times of 'weakness, insults, hardships, persecutions, and constraints'. Indeed, he recognizes that when he was weak, that is when God's strength was most evident in him.

St. Dominic School Families Share Testimonials

“ We felt welcomed into the St. Dominic school family immediately upon walking through the front doors. The teachers and staff genuinely care about every student. The faith-based curriculum has helped to reinforce our values, and we have loved to watch our children’s growth. ”

-Kalyn Kirlin
St. Dominic Parent

“ My husband and I both graduated from St. Dominic’s many years ago and we both had great experiences there. Since our time there, St. Dominic’s and their values have only gotten better. We knew we wanted our kids to have that same, faith filled, experience as we did and we couldn’t be happier with our decision. I’m also very grateful for the amazing before and after care that is very vital to our busy schedules. ”

Biking for Babies Visit! Please Plan to Attend!!

“Biking for Babies” is a pro-life organization of
young- adult missionary disciples who strive to raise
awareness of the important work of pregnancy resource
centers. Each missionary partners with a Pregnancy
Resource Center and commits to learning about
all they do, praying for the center, and raising
funds for the center. After months of
training, the missionaries offer a physical
sacrifice for their center by bicycling on a
6-day journey of over one hundred miles a
day across the country.
Again this year, on Friday July 12, a team of
missionaries will be stopping in Quincy. Right to
Life of Adams County and Blessed Sacrament Parish
Respect for Life Parishioners are joining together to
host the Biking for Babies team. Please join in
welcoming the team to Quincy. There will be a get-
together to meet the team at 5 p.m. at Blessed
Sacrament Parish in the gathering space. Attendees will
share a light meal, and listen to the riders' testimonies.
The celebration of Mass will follow in the church.
