Twenty-third Sunday in Ordinary Time

SEPTEMBER 8, 2024

Isaiah 35:4-7a; James 2:1-5;
Mark 7:31-37

Jewish tradition taught that all would be perfect when the Messiah came. There would be no more sickness, no more suffering, no more death. Jesus came as the Messiah, and he healed ... but he did not heal all. A few who were blind recovered their sight; a few who were lame walked; a few who were deaf heard.

Why didn't he heal all? The Church answers in two ways: When Jesus Christ comes again in glory, all will be perfect. But, second, while we await his Coming, the Lord expects us to be his instruments in caring for the needy of this world. By our care, we share with Christ in the work of redemption. By our concern, we carry out his mission to heal and restore all.

We as Church, and we as a people show our virtue most perfectly in the way we treat the most vulnerable and the least significant of persons. The Church teaches emphatically that there is a "preferential option" for the poor. By "poor" we mean more than those who have no money; we mean those who are in any kind of need, spiritual, physical, or material.

Our first reading reflects the hope of Israel that all would be perfect when the Messiah came: The blind would see, the lame would walk, the deaf would hear, the mute would speak, the desert would bloom. The Gospel gives an incident of Jesus' healing a deaf mute. (In the ancient world, people thought that saliva had a medicinal power.) The second reading warns us against showing favoritism for the rich and the powerful.

God has chosen those who are nothing in the eyes of the world to be rich in faith. Let us always show our favoritism for those in need; let us strive in our lives to put into effect the "preferential option" for the poor. This does not mean "do-goodism" or the welfare state or socialism. Rather, it means that we strive to relieve suffering and to eliminate the causes of suffering.

23RD SUNDAY IN ORDINARY TIME

The first reading talks about how God Himself will come and renew all things, which in the gospel Jesus heals the man who is both deaf and mute. The Lord longs for you to be made new. He longs to open your ears to hear His word and your tongue to proclaim Him to a world that needs to know how He longs to make all things new. Allow Jesus to touch you. He took on flesh to come to do just that. To touch your life, your heart...YOU...to make you new.

Allowing Jesus to heal us is a good thing. I have been made aware by many in the parish that reiki and chakra work is a popular thing in our area and some in the parish have used it. I can not warn you enough to stay far far far away from these practices. I am sure the practitioners and even those who have used it do so with good intentions, but as the saying goes the way to hell is paved with people with good intentions. Run far from these practices as they are completely and entirely demonic. I do not want to go into a theological treatise on all the reasons why, but they are satanic in their work and attach demons into your life. These practices can lead to serious health issues, major spiritual attacks, but also can lead to demonic vexation, obsession, and even possession. The Vatican and the United States Catholic Conference of Bishops has warned Catholics of the dangers of these practices. Please do not use them. If you have please bring them to the confessional and/or come see me as we may need to break some serious demonic ties they have brought to your soul. I am here to help. We rely on the healing power of God not invisible forces, energies, chakras, incantations, psychics, spirit guides, etc etc etc. God alone is in whom we put our trust. Modern medicine and even natural medicine that uses food and exercise and nutrients are very different than pagan worship and practices that attempt to take healing into our own hands instead of leaving miraculous healings to the Lord and His providence.

Lastly, please be aware of the fact that we are entering into the stewardship renewal process soon. An exciting time of seeing where Christ is longing to touch our lives and come into a greater relationship with each and every one of us and our families. Let us prayerfully begin this process of renewal in responding to His grace.

A Unique Stewardship Opportunity with

St. Francis Community Assistance Ministry (SFCA)

As the Fall Stewardship Renewal nears I want to make parishioners aware of a need that the SFCA Ministry has for a **leadership position**. For the past ten years, I have led this ministry, and watched it grow in the many ways we serve parishioners and people in the community. Currently, St Francis Community Assistance has many good men and women who volunteer to serve those in need. I do believe, though, the time has come for this ministry to have a fresh perspective and also someone with better internet and computer skills than I possess. If you are interested in working with me for the next year to learn what is needed to lead the SFCA ministry and to bring some insight into how it can run more efficiently, please email me at ambmcgee1416@gmail.com or call me at 217-430-1533. God has blessed this ministry with great volunteers and parishioners who support SFCA. I pray that we have someone in our parish who would give this rewarding and enjoyable experience a try.

**Save the Date for the 2025 St. Francis Picnic

*Next weekend we will have a special collection for **The Solidarity Fund for the Church in Africa**. This fund stands ready to assist African Church leaders who reach out for help for their parishes in the aftermath of the covid pandemic.*
