From the Pastor's desk....

It is coming up—the 2nd Session for our Restructuring here at the parish. I invite and encourage you to attend the next gathering on Saturday, November 2, at 9:00-11:00. The last time we met, we had small group discussions and afterwards we wrote down our thoughts; all the good things we can think of about our parish. Those were put together by our 5 Team Members here in the parish and submitted. At this next meeting, I believe we will learn more about what the possible outcome will be for our parish. My understanding is that Bishop Hicks will make a decision sometime before or in March. Whatever the outcome is, all changes for the Restructuring effort will take place this summer on July 1. Please keep our parish, all people, all organizations and myself in prayer. In all of this, we must never forget that we are always in God's Care.

Because of our meeting on All Souls Day in the morning, our annual special mass for all who have died in the past year, and for all souls, will be incorporated into our regular Saturday afternoon mass on November 2 at 4:00.

Peace.....Fr. Jeff

You are Invited to Our Parish Listening Sessions

As part of Phase 3 of the targeted restructuring process for the Diocese of Joliet, each parish will be hosting two Parish Listening Sessions during which important information will be shared, including the presentation of potential future scenarios, and feedback from parishioners will be solicited as well. Please attend both of our parish sessions in order to hear first-hand how the targeted restructuring process will impact our parish and grow the presence of the Church throughout the Diocese of Joliet and to provide your feedback to the Diocesan Targeted Restructuring Committee.

Our parish sessions will be held in the church on the following date:

Session 2 Saturday, November 2 from 9 to 11 a.m.

These are two separate sessions and you should attend both, as different information is provided at each. If you have any questions, please contact our Parish Point of Contact for the targeted restructuring process: Joe Maderak.
