## *Thirty-second Sunday in Ordinary Time*

NOVEMBER 10, 2024

1 Kings 17:10-16; Hebrews 9:24-28;  
Mark 12:38-44

You can't run a parish on copper coins of destitute widows. But if everyone had the spirit of generous sacrifice shown by the widow in today's Gospel, no parish would ever have financial problems.

The Old Testament made the tithe ("ten percent") the rigid norm and ideal for giving. That is not good New Testament theology. Jesus tells us that those who have more must give more – not merely in quantity, but in percentage! Stewardship is to recognize God as the giver of all gifts, and to seek to thank him by returning to him the first and best.

Today's first reading tells of a widow nine centuries before Christ. She was not of the Chosen People; she was a gentile or pagan. She was destitute and about to die; yet she gave from her want to Elijah ... and was richly rewarded.

In the Gospel, Jesus observes a lot of "comfortable" people giving sizable donations to the Temple; he then sees a poor widow who gives two copper coins – all that she had to live on. He says that she did more than all the rest.

Unless we sacrifice, we don't really practice much stewardship. If we give out of our surplus (whether it is time, talent, or treasure), it requires little effort and little faith. Great faith is required to give from a person's want.

Test your faith: In planning your budget, do you decide first what you will give to the Church, or does that come after everything else? If it comes afterwards, how do you explain this to the Lord?

Listen to the Lord. He may be calling you to a higher state of holiness. He may be calling on you to take a leap of faith, to sacrifice. Whether poor, middle class, or wealthy, he calls you to give the first and best of your time, talent and treasure. He calls you to sacrifice. If you respond to his call, he will not be outdone in generosity.

## 32ND SUNDAY IN ORDINARY TIME

God asks for all of you. In the first reading today, we see this lived out so beautifully. Elijah the prophet asked the poor widow of Zarephath for a glass of water and a small cake of bread to eat during a time of drought. She answers that she only has enough for her and her son and then they would die of starvation as that is all they had left. Elijah told her, "Do not be afraid." He told her to go and do as she planned, but to make him a little cake first. First give to the Lord and Elijah and THEN take care of yourself and your son. That request is so difficult, but this is what God asks of us. He desires us to trust Him so much that we give to Him first. But to do that we have to trust that there will be a second or a third as well. In this story, as well as the multitude of other stories of God's abundance, not only is there a second and a third, but the abundance continues for over a year for her, her son, and Elijah throughout the entire drought. You cannot out give God!

In the gospel today Jesus warns us not to seek our own aggrandizement. He sets up as the example another widow. She puts in only two small coins, but in that minute gift she gives everything. God is asking you to give Him your all. He desires everything, your entire self! If you think you have nothing left to give, that is when God asks what is left. If you are willing to trust Him in that moment, He rewards you immensely. It may not always be in how we want, but when you are honest with yourself you see the immense goodness of God. Trust in Him.

Lastly, today is the Feast of St. Leo the Great, but he is trumped by Sunday solemnity. Pope St. Leo the Great is my confirmation saint. I loved his story as a kid. Not only did he stand against Attila the Hun with no army, but he stood against the heresies of the Church at that time. His writings are easily able to be found and are stunning. If you get a chance, read them! He is a teacher and stalwart in the truth. On this his feast day, read his readings, but also please say a prayer for me on this feast day of my personal saintly inspiration. St. Leo the Great, pray for us!

Father Arisman

### *A Note from Business Manager Sue Holbrook: Improvements To Your Parish Operations!*

*We are happy to announce some measures that have been implemented by our Diocese. These will further our goals to improve efficiencies and greater communication from parish to parish throughout the Diocese.*

- We have moved to a new software solution – ParishStaq™ Catholic Church Software. This dynamic and comprehensive program will manage our primary parish records. ParishStaq™ eliminates the need to maintain multiple mailing lists (Catholic Times, Envelope system, Parish Records, and Diocesan Reporting). In the past we have had four different lists to maintain; having just one reduces the possibilities for error and streamlines the workload for the staff.*
- Push Pay is our new online giving solution – procedures are outlined on the parish website.  
<https://stfrancissolanus.com/?s=pushpay>*
- We have a new Giving Envelope System from National Church Solutions – this launches in January of 2025.*
- A new Ministry Scheduler system will launch in January of 2025.*
- The parish administration staff have been working on data conversion, training and implementation of these new programs.*

#### **Important Dates:**

*The 'old' online giving options have been discontinued as of 10/31/24 – this means that all pending donations were removed on that date.*

#### **Important Facts:**

*Please know that these improvements come at the behest of our diocese and are being implemented by all Springfield Diocese parishes. Simply stated, the consolidation of the systems will save the parish money. We will be paying one fee for ParishStaq.™ This will eliminate Servant Keeper, MSP, lower envelope costs, and OSV Online giving fees.*

**Welcome!** *Please welcome Dee White as the new Parish Business Manager. Dee comes to us with a broad level of experience which will serve her well as she takes on this new role. Sue Holbrook will be staying on until the end of the year to oversee the transition to ParishStaq as well as the completion of various projects.*
