Jubilee Year: Pilgrims of Hope.

Before you actually pull into a service station for the gasoline your vehicle needs, that service station and its suppliers are continually in operation, whether you get gasoline or not. The process by which oil is processed to become gasoline and various additives is continually in operation as well; that's why the service station and its suppliers can remain in operation. And the various methods of transport guaranteeing delivery of product? Always operating. The vast majority of the time you and I never pull into a service station doesn't affect the entirety of a continual system of operation, one from which you can pump the gasoline you need. And when you get your gasoline, you're participating, cooperating, investing yourself in this entire operation, for either your vehicle, or perhaps on occasion someone else's. Either way, you direct the entire operation of gasoline production and delivery to a specific vehicle. It's, at one and the same time, a gift from the service station and everything behind its operation, *and a choice of yours, to draw from the gift.*

OK! You've just read an example explaining an indulgence, and how an indulgence works! We'll make the connection next weekend! We'll use this example to explain what an indulgence is, and how it works in the life of Catholic faith. Fr. T.

Youth Group: We're meeting at ICC Parish Hall this Sunday, January 19, 7-8 p.m., to welcome a special guest speaker, Jana Knupp. She will be doing a personality test and analysis to help us better understand ourselves and to help us know how to get along with others. This, along with some networking activities. This is a great way for us to gain insight into ourselves, as we begin to think about the future and our part in it. Hope to see you there!

No Spanish Mass in February. Because Fr. Tony will be on prayer pilgrimage to the mission churches of California, there will be no Spanish Mass in February. Spanish Mass will be back for the First Sunday of Lent in March.

Roe v. Wade Weekend, Christian Unity Week, and Martin Luther King Day. Our prayer and our conduct should reflect how we are to conduct ourselves in the face of so many contentious conflicts in our society today: the ongoing efforts to overcome the battles, even in family relationships, over abortion, Christian faith, and racism. Add to this, the way the meaning of words has become anything you want them to be: look at what it takes to engage, and to persist in working toward reconciliation. Prayers for the healing of our nation and our church.

Coming: Catholic Schools Week! Whatever your own feelings about Catholic education, take a look at the changes taking place in our civic communities, and in our nation. Catholic education - in particular, our own Sts. Peter and Paul School - have now become critically important as a source of stability for our nation. Please support our Catholic School!

Fr. Tony's Annual Winter Time Away. From February 2 through 15, Fr. Tony will make a pilgrimage of intercessory prayer for our Hancock County Catholic Churches at the sites of the California Mission Churches founded by St. Junipero Serra. Please be aware of these times during which Fr. Tony will not be present in the county.

The Saint James Knights of Columbus Blood Drive in memory of Jacob Burling will be held Wednesday, January 22, 2025 from noon to 6:00 p.m. at the Immaculate Conception Parish hall. To make an appointment, please call Mark Burling at 217-357-4220.

Christmas Choir Thank you, Sts. Peter & Paul Choir!! Your dedication to adding beautiful music to our Christmas liturgies is so much appreciated! It's always a pleasure singing with you: Vicki Newton, Vicky Cuthbert, Cary Gray, Lora Taylor, Julie Metternich and Carrie Steffensmeier! I am grateful for you! -Therese Hayes
