**January 5, 2025 The Epiphany of the Lord — C**

## A Message from Fr. Tom Donovan:

As the world “returns to normal” after the holidays, Christmas decorations are put away, the social calendar of parties and gatherings slow, fewer cards and greetings arrive in the mail, and we turn our attention to the hard winter months ahead and, of course, tax season. But for the next week, at least, the Church continues to celebrate.

Christmas, of course, is not simply a day or a singular observance, but one that continues to unfold through an entire season of observances and celebrations. The liturgy of the Church reflects this in a series of ever-widening revelations of the son of God. On Christmas during the “Mass at night”, we see the angels singing over the crib of the Christ Child, with his parents at his side. At the “morning” Mass, a small gathering of shepherds come to see the child and give him worship... the threesome is now extended to the local community of those who were physically able to be there. A few days later, on the Feast of Mary, the Mother of God, we hear of how the shepherds returned home, and on the eighth day, the child was taken to be circumcised. Circumcision was the sign given to Abraham which set him and his sons before God as a nation. It would also be the first way that the Christ would give his blood for the salvation of his people. The circle is now expanding... from family to community to nation. On Epiphany, we hear the familiar story of the coming of the Magi... the kings or ‘wise men’ from the East. They come to worship from their far off lands, showing how this child would be the king and ruler of many nations... family to community to nation to world. The final celebration of the season next weekend is the Baptism of Our Lord. On this occasion, we hear that Jesus is the beloved Son of God. We also come to know that those who are baptized in Christ become true sons and daughters of God. And so in the Baptism of our Lord, we progress from Christmas being a revelation to a family unit to a community to a nation and a world, and now to all those who would be baptized in the faith of the only Son of God: people of not only of all places and nationalities, but of all time as well. In other words, God is revealed to the entire human family in the Lord’s Baptism.

The vision and imagination of the Church is that Christmas is not complete on Christmas Day, but rather after we have had some time to let the profound, multi-layered reality of *Emmanuel*, “God With Us,” to envelop us. God was truly with us in the reality of history in time and space, and we hear him say before he ascended to heaven that he will remain with us until the end of time. The reality of his presence now is not lessened in the least, except that it requires us to see with the eyes of faith and to hear through the sacramental economy of the Church that he established to preach and minister his Eternal Word. Faith is given as a gift and a virtue and should not be considered a mere consolation or ‘crutch’ or ‘substitute’ for our own time where empirical proof for that which we believe is thwarted. There were those who saw the living and breathing Lord in the flesh and failed to believe, but we who have his Word and Sacraments, who have not ‘seen’ and yet believe (as was explained to ‘doubting Thomas’), already participate in the graces of the supernatural realm.

The Magi’s journey is recorded by history and legend, bearing witness to the divine person for whom they searched. Hearing and telling that story once again, we are invited to deeper faith in the Word made Flesh, who dwells among us. By celebrating the entire season of Christmas from Christmas Day through the Epiphany and even the celebration of our Lord’s Baptism, we see how Christmas is not just a historical event of two thousand years ago, but Christmas continues to echo into our own age.

A Message from Mrs. Carol Frericks—Principal

## Becoming Disciples of Christ Through the Virtues

During the 2024-2025 school year, St. Dominic School is studying the theological and cardinal virtues. Each month, one of the K-8 classes and their teacher leads the school's morning assembly to provide a lesson from the Bible, the Catechism of the Catholic Church, or the lives of the Saints regarding the virtue being studied for the month. During Catholic Schools Week 2025, buddy classrooms will demonstrate our theme for the year - Becoming Disciples of Christ Through the Virtues by providing service for our community, Church, and families. Our school-wide Bible verse is "Finally, brethren, whatever is true, whatever is honorable, whatever is just, whatever is pure, whatever is lovely, whatever is gracious, if there is any excellence, if there is anything worthy of praise, think about these things." Philippians 4: 8.

## Thank you! Thank you!

Love in Action! Thank you for all who contributed to the Advent Sock and Underwear drive for the Ladies of Charity. Every year we ask and are so blessed by you at St Anthony and your generosity to this very needy cause. Socks and underwear are real necessity for all ages and a new pair lifts not only the spirits but helps keep warm those who may have had only a threadbare pair. Thank you. Many will be blessed by your generosity. We partnered with the Ladies of St. Francis who contributed hats and scarves and the St. Francis school children who donated mittens and gloves. I know the Ladies of Charity appreciates having so many of these warm items to distribute.

Your Love in Action makes a difference! Deacon Dennis and Pat Holbrook
