What we're watching this week on Formed: Foretold. In this series Dr. Sean Innerst explores the truth that while we have our own stories, we are not the only author. God's providence guides our every step. These episodes are short, captivating and thought provoking. A new episode is released every Sunday during Lent!

How to get on Formed: You can download it as an app on your phone or on your smart TV, just like you would Netflix. To create an account, go to www.formed.org/signup, Enter "Hancock County Catholic Churches", Follow the directions, enter your name and email, then you have an account!

How we're praying on Hallow: Daily Gospel. In this daily Lectio Divina the Gospel is read to you. These short five to ten minute sessions encourage you to find a state of meditation and silence to focus on what God is trying to tell you. If you find yourself having a hard time reading and focusing without your mind wandering (don't we all?) then this series would be wonderful to guide you through the Daily Gospel.

How to get on Hallow: go to Hallow.com/parish or scan the QR code at our Churches and search for your parish name in the search box. 2. Select your parish and hit "Continue". Requires registering by selecting one of four methods: phone, email, Google, or Apple to create your account. (It will show an option for the \$1 offer below at this point.) 3. Next you will need to download the Hallow App, open and create a login password. Once done, you can start using the App. The 40 day Lenten prayer challenge is in the "Community" section of the App. There is an Optional 3 month Hallow App trial subscription for \$1

Letter from Bishop Tylka

Dear Monsignors and Fathers,

Our Lenten journey is marked with prayer, fasting and almsgiving, and I am writing to you to ask that you consider offering your prayers and fasting to help us stop the effort to legalize assisted suicide in Illinois. There are two pieces of identical legislation that would legalize assisted suicide in Illinois, SB 9 and HB 1328. Both of these pieces of legislation are currently being presented. In addition to the spiritual practices that we muster against this effort, I ask you to take action by writing, calling, or e-mailing your state elected officials to vote "NO" on this legislation. Further information on how to reach your State Senator and State Representative can be found at www.ilcatholic.org or call 217-528-9200.

Assisted suicide makes it legal for a physician to prescribe an array of lethal drugs to a person diagnosed with a terminal disease who requests to end his or her life.

Proponents argue that this legislation will end suffering at the end of life. While we agree that no one should needlessly suffer or have to watch a loved one experience unnecessary pain and suffering there are now effective ways to make a person more comfortable at the end of life through palliative care. This relatively new specialty utilizes physician-led teams to care for the whole person-physically, emotionally, socially and spiritually-to relieve the symptoms and the stress that often accompany serious illness and side effects of treatment.

It is alarming that in states with legalized suicide, there are documented cases of people being denied life-saving medical treatment by insurance companies in lieu of the much cheaper option of life-ending drugs. The poor and those with disabilities are particularly in jeopardy as they are the most vulnerable to such abuses. Every major national organization that represents people with disabilities is opposed to assisted suicide. There is no way to prevent the vulnerable from being coerced or intimidated to end their lives once assisted suicide is legal.

The American Medical Association (AMA) has summed up the case against assisted suicide well: "Physician assisted suicide is fundamentally incompatible with the physician's role as healer, would be difficult or impossible to control, and would provide serious societal risks."

Assisted suicide is not the compassionate solution for those who are suffering. Through palliative care, expanded access to mental health care, stronger family and community support, providers and families are finding better ways to accompany people compassionately demonstrating the love for and dignity of each human life.

Please go to www.ilcatholic.org/take-action-or-call-217-528-9200 to find out how to contact your local elected official to tell them to vote NO on SB9 and HB 1328.

Peace and prayers, *Bishop Louis Tylka*
