July 27, 2025 - Seventeenth Sunday in Ordinary Time-C

A Message from Fr. Tom Donovan:

Next week we will celebrate the Anointing of the Sick at all of the Saturday/Sunday Masses. We try to have a public celebration of the sacrament every year for those who would like to invite the prayer of the entire parish community over them.

The Anointing of the Sick is the most recognized part of the three sacraments that have long been called "Last Rites". A full celebration of the "Last Rites" includes a Sacramental Confession, Holy Communion (sometimes called "Viaticum", meaning "to go along with you"), and the Anointing. In the years since the Second Vatican Council, the Church has called for a renewal and wider celebration of the sacrament outside of the scene at the deathbed.

The Church broadly encourages those who are suffering from serious illnesses to approach the Divine Physician through the Anointing of the Sick, trusting in his plan to conform the suffering of this world to the saving cross. I have often reflected on how those who receive the Anointing of the Sick are, in a way, 'ordained' to the priesthood of the suffering Christ. Those who are Anointed are called to offer their sufferings, as Paul

explained last week in the second reading: "...in my flesh I am filling up what is lacking in the afflictions of Christ, on behalf of his body which is the Church..." While the passion and death of the Lord is perfect and sufficient for the salvation of the world, Jesus invites the members of his body to share their sufferings with his. In doing so, human suffering is transformed. Suffering is a real pathway to the glory of the resurrection, not simply a defacement of human dignity.

And so, who may receive the Anointing of the Sick at Mass?

- Anyone who is suffering from a chronic disease or disorder which significantly impacts daily life. The condition need not be imminently life-threatening, but should be of a serious nature.
- Anyone who is suffering from what the Church calls a 'psychic' disorder... this could mean any number of psychological ailments--depression, anxiety, addictions, and others. How do you determine if it is 'serious enough'? Usually I advise that if you are seeing a doctor/counselor or taking prescription medication to fight the condition, you could/should consider the sacrament.
- Finally, anyone who considers themselves oppressed by the weight of their age/years. I will leave that to the discretion of each individual how old that means!

A couple of ground rules: 1) It is not anyone else's place to ask or discuss with others what disease or disorder those receiving the sacrament might be dealing with. 2) The time when we offer the sacrament at Mass is a time of prayer for the whole community, not just the ones receiving the sacrament. If you are not receiving the sacrament, please pray for all who are in need of God's healing.

Those who are receiving the sacrament should sit in the front rows of the church. Please consider taking the extra time to bring family, friends, and neighbors who are usually unable to come to church, that they may join us for this special celebration.

In addition to all those who are receiving the sacrament at Mass on Sunday, we also call to mind the many parishioners and friends who are in the nursing homes of our community. We have Mass at Good Samaritan Home on Thursdays at 10 a.m. These residents will be anointed in their own celebration on Thursday, July 31. We hold them in prayer and all who serve the sick... physicians and nurses, technicians and housekeepers, health administrators and clerks and chaplains... all in the healthcare field who share in the work of spreading God's healing mercies.

The third part of GriefShare is the participants' guidebook providing opportunities for support between meetings. A GriefShare grief support group is confidential. Please join us.
