Mothers Day Resources

Mother's Day is a beautiful opportunity to recognize in a special way the vocation of motherhood and the gift of life. While Mother's Day is not a liturgical or Catholic observance, it is still an opportunity for parishes to pray for mothers while honoring and seeking the intercession of our Blessed Mother. It is also important to remember that Mother's Day can be a difficult day for couples struggling with infertility, parents who have lost a child, those who have lost their own mothers, couples longing to adopt a child, women and men who have been wounded through abortion, or women facing a challenging pregnancy. Please use the following resource from the USCCB Pro-Life Secretariat to help celebrate the gift of motherhood while providing comfort to those who find this day challenging.
