June – Called to Serve in Summer

Summer is a time of rest and recreation for many families, but it is also an opportunity to reflect on how we use our time and talents in service to others. Even though the school year has ended, the mission of our parish and Catholic school continues. Faith formation, outreach ministries, and preparations for the year ahead all depend on the continued support of our community.

Stewardship doesn't take a vacation. In fact, summer offers new flexibility—an invitation to say yes in different ways. Could you volunteer for a summer project? Pray for our parish school's faculty and students as they prepare for a new year? Maintain your financial giving even during travel?

Your continued generosity helps us meet operational costs, fund essential updates, and plan for the return of students. It also ensures that our Catholic school remains not just a building—but a mission of faith, formation, and academic excellence.

Let's make this a summer of active gratitude. Stewardship is not just something we do when life is busy—it's something we live out in every season. Thank you for keeping our parish and school strong even during these quieter months.
