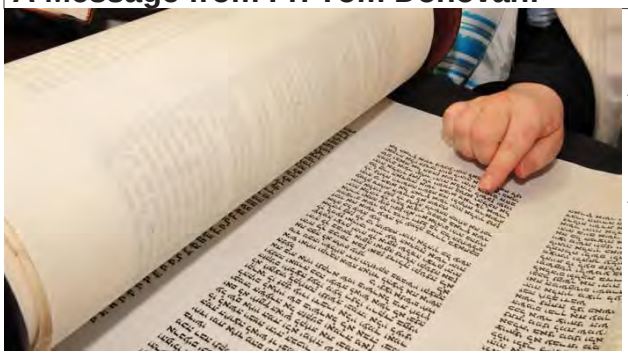
A Message from Fr. Tom Donovan:



"You shall love the Lord, your God, with all your heart, with all your soul, and with all your mind.' This is the greatest and the first commandment. The second is like it: You shall love your neighbor as yourself. The whole law (Torah) and the prophets depend on these two commandments." (Mt 22 :37-40)

Jewish Law contains 613 items, or *mitzvot,* which are derived from the first five books of our bible, which the Jewish people recognize as simply, *Torah*. Of these, some 248 are considered "positive" law—laws that command the faithful to do something, such as, "honor your father and your mother." The other 365 are "negative" laws, commanding things such as, "you shall not kill." Of the 613 laws, *342* mitzvot are observed only in Temple worship, leaving 'only' 271 laws active. Was Jesus right in criticizing the Jewish Law for its legalistic perspective on… everything? Certainly this was not the intention of the *Torah*, or even the correct way to observe *Torah*.

The Jewish people, even to this day, understand that when the law is properly observed, it increases the spirituality of a person's life. Even the most trivial action and mundane acts, such as getting dressed and eating are transformed into acts of religious significance. When Jews eat Kosher, or light Shabbat candles, wash their hands, or pray after meals, they are reminded of their relationship with the Divine, inviting God into one's everyday activities. Law is not meant to simply contain and restrain, but to be a constant companion to individuals and societies who wish to live as God's children.

Jesus deepens our understanding of the Divine Law and the Decalogue (Ten Commandments) in particular, by simplifying it to its most basic terms: right-relationship with God and right-relationship with one another. On these two poles, the entire Law is based. It's not simply a clever response on part of Jesus to keep from being 'pinned down' on the selection of *one* most important law, as the scholar asks, but it is meant to orient us to the priorities of the Life of Grace. All honor goes first to God alone, but from that flows the order and the concern we must have for living in harmony and justice with our neighbors. On these two priorities, the whole Law depends.

Next Sunday, November 1, the Church celebrates All Saints Day. This feast celebrates all saints, those known and unknown, who rejoice before the throne of God. Normally a Holy Day of Obligation, All Saints takes precedence over the Ordinary Time calendar on Saturday evening and Sunday morning. (Remember to set your clocks back on the night of October 31!)

Weather permitting, after Mass at 10:30 on November 1, I will process with those who are able to visit to St. Anthony Cemetery with a blessing of graves. St. Anthony Cemetery is a witness to the faith of this community, reminding us that those who have died with Christ will one day rise again to new life. The faithful are encouraged to make visits and remember to pray for the dead throughout the month of November… both for those who are known and loved, as well as those who have nobody else to pray for them among the 'poor souls'.

Mass on Monday, November 2 will be at its regular time of 7:30 a.m. I am planning to be out of town that morning, but Fr. Blickhan will celebrate Mass for the faithful departed on All Souls Day. (I will of course offer my Mass where I am for that intention as well.)

On Saturday, November 7, we will have our customary memorial Mass at 6:30 p.m.

Praying for the dead is an important duty, because even if they passed away in grace and friendship with God, they may still need one last purification to obtain the joy of heaven…. May Mary, Gate of Heaven, help us never to forget and never to lose sight of the Heavenly Homeland, the final destination of our pilgrimage here on earth."

A Message from Mrs. Carol Frericks—Principal

St. Dominic School and St. Francis Solanus School Class of 2026 Washington DC 8th Grade Class Trip

During the week of Sunday, October 11 through Friday, October 16, 2026, the St. Dominic School and St. Francis Solanus School eighth-grade Class of 2026 enjoyed their class trip to Washington D.C. This class trip is a once-in-a-lifetime educational opportunity for the students to learn about the history of our country and the many ways our Catholic Christian faith influenced the development of the United States over the past 250 years. During our next Veterans Day program, the class will share highlights of the trip.

Parish Support for 8th Grade Class Trip

This culminating eighth-grade class trip also provides an opportunity to celebrate their leadership and service experiences at school over the past several years, which provided financial support to make this trip affordable for school families. The Class of 2026 appreciates the many opportunities our school and parish provides for the students and families for service hours. In addition, the week-long experience provides many opportunities for faith formation on this pilgrimage. The students visit several sites that highlight our Catholic faith and history, as well as engaging in daily Mass and night prayers together as a group.

Secondly, if you are going to be a patient at the hospital, please tell the hospital staff that you are a Catholic and your place of worship is St. Anthony parish.

The hospital personnel do not always ask the question and the faith information did not transfer over when patient records were transferred to the new system.

Also, please call the parish office if you are hospitalized in order that Father Tom and Deacon Harry are aware you are in the hospital.
